This bongo has 12 months mot, £1400 spent in January 2016 including full major service: inner sills, welding, wheel arches this bongo was imported in 2008 1 owner from new and endless money spent on it, including full service history, £13000 worth of invoices to prove yes thats right £13000, previous mots present.

exceptionally clean condition inside and outside, 4 berth camper, with awning included and luggage carrier, 240 volts hook up, electric blinds, ac, cc, ew, cl, rear cc, full privacy.

This is a genuine bongo camper van that has been taken care of and very look after, probably the nicest one in the uk.

Has an additional luggage carrier by Thule which cost over £300 in new, she is ready for the holidays and believe me you won't be disappointed.

If you're looking for a bongo that's been taken care of well and has reliability then your search stops here!

genuine interest only please £7950 ono viewing reccomended please feel free to contact me anytime on 07496101446.
