This is an excellent example of a smashing large 2 birth caravan. It comes with cooker, grill, large fridge, toilet, shower, king size bed, heater. Fly screens, black out blinds and velvet curtains. I purchased this caravan as I needed another bed for my son for a short period, which I now longer require, so I have actually never used it! It comes with a variety of user manuals for the fridge, cooker ect. I took advice when purchasing this caravan from someone who has exceptional knowledge as he has been caravanning for 30 years. He assured it was an absolute bargain. The inside and outside are in exceptional condition.;
