For Sale: MSI GP60 Leopard Gaming Laptop (2.9GHz Core i5 4210H, 8GB RAM, 1TB HDD, 2GB GT 840M GPU) Description: MSI GP60 9S7-16GH11-268

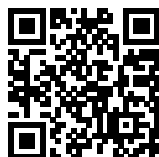

15.6" Screen  
 2.9GHz Core i5 4210H  
 8GB RAM  
 1TB HDD  
 2GB Nvidia GT 840M Graphics,  
 DVD-RW

Windows 8.1 or 10 (I can put whatever you want on there) Almost perfect condition. Light use. Good for gaming + most things on the go. Only a year old but has been put away for 6 months of that. Will come with a fresh install of Windows 8.1 or 10 with all recovery software and its original charger (which is American but I will include a USA to UK adapter and it works fine.) The keyboard is also American but all the letters are in the right place, just the @, # and " are in different places (you will soon get used to it). PM me if you have any questions. Pick up only Haslingden + cash in hand - price &pound
