Do you own a 1999 - 2004 vintage Rolex Sea-Dweller/Submariner/GMT/Milgauss/Explorer 2/Yachtmaster, but with no original period box? This is a completely genuine example of the Rolex sports series box - ref no: 68.00.01. This particular style and pattern of box is NO LONGER produced, or available now from Rolex. It has a fine cardboard outer, and excellent green leather/wooden inner box, plus 'curled' type chamois watch holder. (Separately, a modern new cream outer/green Rolex box set rrp is about 270). Add provenance and future re-sale value immediately. There are not many around now as the years pass. This is a private sale. Thank.
