Mobile: 07825 876007 Good runner for its age; just keeps going! very spacious with all back seats completely removable; not let us down; £185 recently spent on it; has cosmetic bashes on the left side (see pics). Expected wear and tear; this is an unassuming car that gets you from A to B...Just front-left anti rollbar Link to be replaced; its a quick job; I'll provide you the new part!...I wont dwell on here, but you're getting allot of car for the money. I do not think cambelt has been changed, but then it is low mileage and petrol, so even if it lasts you a couple of years without doing then you've got your monies worth!! The car MUST be sold and collected by next Sunday 6th March as after that my short term insurance expires and I will not be able to drive it on the road...any questions,.
