Hello

I am Pakistan based seo and web designer.  
 I have experties in cms wordpress website designing and seo onpage and offpage marketing ( seo onpage and offpage 8 years of experience ).  
 I do all seo working manual and provide organic first page ranking results

we charge per project with bellow asked questions.

what is domain name ?  
 what are your keywords ?  
 what is website age ?  
 is content of each page is unique ( give surity ) ?  
 who were doing seo in past and what was the result of organic rank ?  
 what was company based ?  
 where is domain hosted ?  
 what is area or city target ?

Please provide above details if you have any seo inquiry for your website either it is cms or ecommerce

Note: we do not work with softwares and do not work for blogs even custom domain blogs like news feed
