I have always been a very clean and tidy person and I'm very meticulous when it comes to my cleaning, most importantly I enjoy it! I am happy to take on anything from the day-to-day washing up, mopping, hoovering and tidying to more deep-clean of certain areas of your house such as your kitchen (oven cleaning and other appliances). I have been cleaning for an old lady in Pickering for a few months now, she has been very happy with my work and I am looking for more work in and around the area to fit in around other commitments. £8/h (minimum of 2)
