VAUXHALL ASTRA ENVOY 1.7 CDTI VAN IN WHITE ESTATE 12 MONTHS MOT

The van has covered a 139k miles and comes with a part stamped service record and all mileage is verified by old MOT's. It has just gone through its MOT so this runs until March 2017. Comes with roof rack worth £200. The exterior is in decent condition. Please remember that this is a van and therefore there are a few marks here and there commensurate with age, use and mileage. The wheels are standard and all the tyres are in very good condition. Engine starts well and runs nice and quietly. Plenty of power and gets down the road with no issues. Brakes, steering all good. No nasty rattles or bangs. Water temp sits well and heater all works on all settings. cash on collection £795 or best
