The Yamaha WR125X has got to be one of the best looking 125's ever made. The attention to detail and care to make this learner legal bike look like a competition racer is something to be proud of. This is such a well made machine any new rider will quickly gain confidence and improve as a rider. This bike is a one owner machine. It is very clean having covered just 4068 miles from new. It comes complete with all the original books and both original keys. The first service is completed and stamped in the original service book, the next service is now due which we will complete prior to delivery to the new owner. It is completely standard which is refreshing to see on a learner bike. As with all our bikes it is of course HPI clear and will be fully prepared by our workshop prior to collection. Part exchanges are very welcome as we are always looking for used bikes, we are also happy to settle or arrange finance and trade up or down. £2995
