Clarks Fasetto Star Men039s Black Shoes Size 11 Slim Fit. Brand New and Unworn. (2)

South East, Berkshire Location https://www.freeadsz.co.uk/x-292614-z

These shoes were bought as school shoes for my teenage son to replace a pair he thought he had lost (but found the next day). We kept them with the intention of him using them when the lost-and -found pair needed replacing, but unfortunately he grew some more, so they no longer fitted and were never used. They are without a box, as it was a bit torn when it left the shop. As he had worn the previous pair of these at school (and probably played football and rugby in them in the playground) I can say that they are a hard-wearing, comfortable shoe, that polishes up nicely and goes equally well with smart or casual clothes. The current replacement for these, the Bradley Star, is on sale for £45. These are half that price at £22
