2004 reg, 106938 miles, 1400cc Petrol 5 door hatchback in pretty blue colour, Manual transmission. Lovely to drive, perfect as a first (it is a low insurance group model) and generally a great city car. Had been taken care of, starts always first time, not sluggish as most of small city cars. The car was being used to commute to a work place and couple of times I was taking it for a longer ride, always reliable. A/C in winter is really warming up fast. Everything was always OK with the ride, I made few things which is normal for this type of cars: Wishbone Bushes, O2 sensor, glow plugs. Parts for it are cheap because they are Volkswagen branded. Really nice mpg. Overall a cheap car to maintain. I'm selling it because I found and bought a car I was looking for for a very long time with a good price. Features: Quality sound system with a really good Sony stereo (CD/MP3/AUX), Power Assisted Steering (really easy to drive, perfect for city/ parking), Spare wheel which is a full, ready to drive wheel, Engine Immobiliser, Adjustable Steering, Passenger Airbag, Drivers Airbag, Electric Windows, Central Locking, Air Conditioning, ABS. MOT till 15/09/16. Viewing in Widnes, you are welcome to come 7 days a.
