

Child039s bike - Orbea Mx 20 Dirt (75 GBP)

Location **South East, Kent**
<https://www.freeadsz.co.uk/x-293212-z>

This is a great used bike and is adjustable to suit 6-9 year old. It is in excellent condition. The current owner has simply outgrown it too quickly. These are still on sale new for over 3 times this price. It is a nice design, with good quality components and, most importantly, light and adjustable. It has an aluminium frame and quality components, a 1-1/8" semi-integrated headset, V-brakes, and an alloy stem and riser bar. And the 7-speed drivetrain makes a truly capable mountain bike, with ratios for steep climbs or for keeping up with Dad (and).
