Lonesome is a handsome boy, with great confirmation and such a beautiful flowing action you would think he is floating. We expect really great things of this colt; in 25 years of breeding, this is the only colt we consider to be good enough to be a stud horse. He has been handled from birth and is proving to be a sweet natured, friendly young man who is eager to please. We expect this lovely dun colt to make 15hh - 15.1hh Excellent breeding by Va VaMoose, with Jaz Mighty Mouse, Colonel Yo-Yo on his papers and Two Eyed Jack in his pedigree For further information, please telephone John on 01446 772534 after 6.30pm or email [email]
