Lovely car, not being used anymore since we bought a seven seater. It had a fair amount of work done on it, a new cam belt, four new tires and various small parts (filters etc) replaced - spend around £1500 on it. I start without any problems and drive very smooth, it passed the last MOT without any major problems. The only minor things to note are the two small dents on the two far side doors and a minor oil leak - hence the good.
