

Translational science in England

Location **London, London**
<https://www.freeadsz.co.uk/x-293502-z>

Journal of Translational Science (JTS) is an open access journal with comprehensive peer review policy and a rapid publication process. JTS is a novel journal that will focus upon the translation of cellular, molecular, and genetic pathways into clinical strategies for multiple medical disciplines that can impact a broad spectrum of disorders that involve stem cells, degenerative diseases, aging, immune function, tumorigenesis, epigenetics, musculoskeletal function, cognition, behavior, neuronal, cardiac, pulmonary, gastrointestinal, and vascular targets, and metabolic function overseeing all aspects of translational research and medicine. ;
