The BMW F650GS with the 798 engine was and still is one of the best mid range adventure style bike on the road. Its leagues above its predecessor and comes with a strong versatile 798 engine, which has given the 2008 model bags of all round power and torque. This is a cracking example of this superb model and comes with panniers and top box, bags of service history and lots of life left in both tyres. The condition of the bike is second to none and has been very well maintained through out its life. It makes a superb step into the big bikes and will happily do fully loaded touring or just every day commuting. Its well worth a look and if your looking for a comfortable all rounder you won't go far wrong with this lovely little 650!! It comes with our 12 month warranty and roadside assistance, full HPI check, service history, MOT and
