

Vintage oxblood red 2 seater chesterfield sofa (150 GBP)

Location

South East, Middlesex

<https://www.freeadsz.co.uk/x-293612-z>

We are selling this vintage oxblood red soft leather Chesterfield 2 seater sofa.

The sofa is in a very good used condition, with no rips or tears to the leather, a few slight creases and wear marks, creating a retro feel to that ageless vintage look. The base has 4 wheels, which makes it easy to transport or move around and are all still stable.

This sofa is a classic vintage piece and is highly sought after, especially in this.
