You will struggle to find a 2004 bandit in as good condition with as low miles as this one. With 2 Owners and just 610 miles under its belt this bike has mostly been dry stored. The previous owners have added some tasteful modifications which enhance the nature of this bike. Heated Grips, Crash protection and an alarm system has been fitted making this the perfect bike for your daily commute. The 600cc Bandit has a great reputation and is a lot of riders stepping stone from small 125cc bikes into the big cc bike world. With thousands of aftermarket parts available and great reliability they have always been a great bike that people love to stamp their own personality on. Start your adventure with this bike for just £3395.00 REF:8GM2. 599cc Inline 4 Cylinder, Four Stroke, 77.50 HP (56.6 kW) @ 10500 RPM, Carburettor, Double Overhead Cams, Air Cooled, 6-Speed, Chain Driven, 290mm Double Sided Front Brake Discs, 208 kg Dry Weight, 20 Litre Fuel,
