

VANGO MARITSA 700 TENT - WITH CARPET AND FOOTPRINT (150 GBP)

Location **North, Cheshire**
<https://www.freeadsz.co.uk/x-294782-z>

Great family tent with loads of space and large sleeping areas.

Sleeps 7 in 3 separate bedrooms (we have used 2 for sleeping and 1 as a dressing room). These can be zipped closed from the main living area.

There is a large living space which can comfortably fit 3 chairs and a 4 seat picnic table.

There is also an enclosed front porch area (we used it for storage of food and cooking). The hanging rail for the inner large bedroom is missing.

All poles are colour coded so you know which goes where on erecting the tent. Guy ropes are attached to the tent which makes it easier. Pegs included.
