Do Not Miss Out, whoever views this vehicle first will find it incredibly hard to walk away? Not Only is this 1 owner from new, but is the COPA specification which means that it comes with a Touch Screen Sat Nav, Bluetooth, DAB Radio and much much more! When you purchase a SEAT Leon, you're pretty much buying a VW Golf but just with a much cheaper price tag, under the bonnet it's the same car, with the same build quality and engineering, a real no brainer! This one in particular is a great example, it's been well looked after by its previous owner and comes complete with a Full Service History with 3 stamps and before you take delivery it will go through our workshop where it will receive a thorough acar2go Multi-Point check. We're approved by the Buckinghamshire Trading Standards on the Buy With Confidence scheme which can give you complete peace of mind when buying your next used car and the idea of pressure will soon become a distant memory acar2go, where You Pay Less and Get More.
