

DYSON V6 Animal Cordless Vacuum Cleaner (135 GBP)

Location **London, London**

<https://www.freeadsz.co.uk/x-294943-z>

Ex JL Demonstration model about 6 months old, in excellent condition and in perfect working order with fantastic suction. (Sucks up as much dust as a corded vacuum cleaner)

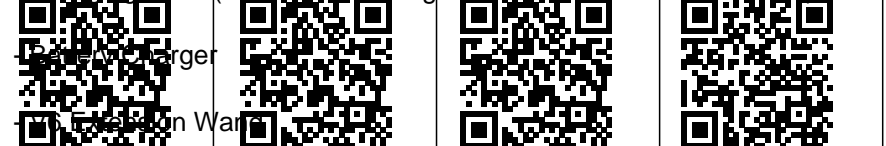

With the Dyson V6 Digital motor which spins at up to 110,000 RPM

Tier Radial Cyclones - 15 cyclones arranged over two tiers work in parallel to increase air flow and capture more dust.

Coming complete with -

- Motorized head cleans all floor types.
- Carbon fibre filaments remove fine dust from hard floors
- Mini motorized tool removes pet hair and ground in dirt
- Crevice Tool for those difficult to reach places
- Combination Tool

- Charging Dock (to store and charge your vacuum when not in use)

Documents containing user manual and including Registration document

- No cord no hassle, easy to charge
- Cleans up high
