Here is my very clean RX 8 what has 90k on the clocks but running an 2008 replacement engine with 20k papers to show everything done, no hot/cold start issues just a turn key operation. fully loaded ,satnav, bose sound upgrade, full heated leather in great condition, good tyres all round, 10 months test, used daily , no knocks bangs moans or groans.  
 genuine car and expect the same in return.

any inspection welcome.

halfway meet no problems as my car is right and will go anywhere!!!

come drive and feel a really nice sports car in action :-)

any trial or inspection welcome. you wont find a cleaner or faster 1.

just to much too list about it. Dont confuse this with your standard rx.

more pics too follow. willing to swap p/x or offers just ask its no probs
