Hi there i have a ford focus replica with the st body kit and carbon wrap alloys. The car looks stunning. It also has tints. It has full leathers. Its very economical as it is a 2.0 diesel. It has along Mot. It has 90,000 miles. bad. I had the timing belt changed and turbo recalibrated. All in all a stunning car. Amazing looking in and out twin exhausts both connected remap pushing 19bhp so rapid if you want it to be. centre blue neon dials. being diesel does around mpg round town full v5 mot sept. sounds and looks great better pics to follow.

1000s been spent on this motor as good as a st without the insurance costs etc. willing to swap p/x or offers just ask its no probs 07933689130. Milton keynes ;
