Educatius UK is looking for families to host our teenage students visiting the United Kingdom on a High School Cultural Exchange Programme from the end of August 2016. Our students come from all over the world and will be aged between 15-17 and most will be staying for the entire Academic Year. Students should be treated like any other family member and Educatius UK will enrol them at local sixth form colleges and secondary schools. You'll be able to introduce your student to British life and culture whilst learning about their customs and way of life at the same time! Educatius UK will offer all the support and guidance that you need and will be on call 24/7 for any emergencies. You will also have the assistance of a full-time Student and Family Liaison Officer. Families are reimbursed on a monthly basis to cover expenses associated with hosting a young person in your home and families may host up to two students (in single rooms or sharing a larger room). Reimbursement paid for each student: £410 per month To register your interest with us please contact: Lauren Morley Educatius UK Student and Family Liaison Officer 07943994592 ;
