Very reliable car, bulletproof engine, clutch changed 80,000. 4 new tyres and front pads changed at last MOT.(MOT end of April). New CAT and part 2 front section fitted 2 weeks ago(receipts to prove). All electrics fully functional. All servicing done by me as I wouldn't get ripped off by a Honda garage to do it. Few age related scuffs on the bumper but no body rust. Inside immaculately clean, spare wheel excellent. This car is in use so the mileage will rise a little and it is parked securely under 24hr surveillance overnight. Prior arrangement viewing.
