Beautiful wooden extending kitchen or dining table.

Two extra extending parts that slot in at each end.

Lovely carving to the base.

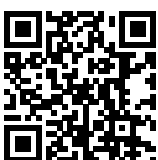

Was originally supposed to be a project but really just don't have the time, the sanding was started on the extensions and top previously but didn't get any further.

Would be great as a shabby chic or up-cycling project

Table top is detachable for transporting.

Dimensions are - H: 77 cm L: 106 cm L (with extensions) 166.6 cm W: 76.5 cm

I think it may be oak but not sure so please judge for.
