¡Hola! Do you want to speak Spanish? With me it's possible! I'm a nice and patient Spanish journalist, I work in Spain and I love my language. I can help you to improve your Spanish. I offer dynamic one to one conversations using Skype which you can carry out from your home, your office, or wherever you feel like.

Improve your Spanish through real conversations with a native speaker and you can also learn more about our culture and traditions. Just give it a try! First 30 minutes are for free. Then you can keep on choosing between the following options: - 10 conversations of 30 minutes for 40 Pounds - 10 conversations of 60 minutes for 60 Pounds - 20 conversations of 30 minutes for 80 Pounds (1 free additional conversation of 30 minutes) - 20 conversations of 60 minutes for 120 Pounds (1 free additional conversation of 60 minutes) No lessons, just an interesting chat to practise what you have learnt in class: the funniest way to learn Spanish! Send me an email for more information: ¡Hasta!
