All singing, all dancing, all working Rangemaster 110 electric cooker in dark blue enamel. 4 rings, griddle, warming plate, grill with tray, 2 ovens (one fan assisted) and pan tray. This cooker is about 10 years old and has given me sterling service. However, now the children have grown up a flown the nest I no longer need such a large cooker. We have built a new kitchen and bought a smaller cooker for it - so the big one needs to.
