

Perception Gemini Scooter (190 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-295789-z>

This sit on kayak is offered for sale because I have replaced it with two single Perception kayaks. The kayak comes with two seats with zipped pockets for storage of small items and scupper bungs for paddling on flat water. The kayak sits perfectly on a car roof rack and so is easily transportable. It is a great kayak for paddling either flat water or in the surf.

The Perception Gemini Scooter is the tandem version of the popular Perception Scooter. Classed as a 2.5 person boat it can accommodate up to 2 adults & a child. The kayak has moulded handles for easy transportation and a rear storage compartment with elasticated straps. Two drinks holders also fitted .

The kayak is in good
