

Mountain bike bicycle Apollo FS 26 full suspension (18 GBP)

Location **South East, Berkshire**

I've used this bike to commute up to a few days ago and am only selling as I got a flat tyre (the front one). There is rust on the chain and elsewhere, a tear on the saddle, brake pads may need replacing, but once the tyre is fixed the bike works fine. Shifts alright and has full suspension. Email or text me for collection in Thatcham, no timewasters thank.
