Caravan For Sale By Owner

At Thorness Bay Holiday Park, PO31 8NJ. 12 Month Season

I was approached by the owner of this lovely Holiday Home and have been asked to sell it on their behalf.

They are very sad to be leaving their Holiday Home behind but unfortunately their situation has changed.

* What the Owner Said * ...

"We have had our caravan at Thorness Bay Holiday Park for around 6 Years. Buying a Second Home was the best thing we ever did. We live in Yorkshire and the Island was exactly what we were looking for. Where we live is beautiful but the Island just has that something special about it. If we didn't have family in Yorkshire we would have relocated permanently. Unfortunately we are now in our 80's and we find the drive too much for us and have decided we are no longer able to keep it. It has upset us greatly, but we would love another family to be able to enjoy the caravan as much as we have. We have allowed our family to use the caravan and the people who enjoyed it the most were our children and the grandchildren. They found the site was ample for what they needed and they never had to leave as they have everything there. We have asked Tarn to sell our caravan for us as she has always been warm and friendly towards us and our family, this is something that was really important to us. She has helped us with anything we have had problems with and has always made us feel welcome at the events we attended while we were down on Holiday. If you have ever thought about owning a caravan, then here is the place I would recommend. Obviously everybody has different tastes but this is the one I found suited myself, my husband and our family. " What The Park Can Offer -
