Are you an experienced Home Care Assistant (Carer), or do you feel you possess the correct skills to train to become a Homecare Assistant?

Kentish Homecare (based in Beckenham BR3) seeks Homecare and Health Care Assistants to work with clients (Service Users) within their own homes, providing assistance with Personal Care and / or Domestic Housekeeping support. Care Worker - You Must:

- Have the desire to provide the very highest standards of care to their service users.
- Have good communication skills to enable you to foster a close bond with their service users.
- Preferably be a car driver holding a current valid UK driving licence.
- Be located within or close to their main coverage area of The London Borough of Bromley (South London).
- Be willing to attend regular mandatory training. Additionally, if you do not already hold an NVQ2 (or equivalent qualification) in Social Care, you will be required to undertake recognised social care professional qualification training within 6 months of registering with their company. Full support is provided within the organisation.
- Be comfortable working within either a team setting or lone working. Please contact us to know more details at <https://www.kentjobs.co>
