2002 Audi A4 2.0 SE Estate Auto
MOT October, 180k miles.

Good general condition, drives very well but will require a new CCM unit (£40 on eBay) and has a few other minor jobs to do (front tyres are wearing low, rear wiper not working, cracked passenger wing mirror glass, breather pipe loose). Needs an afternoon and a bit of pocket money spent but all the important stuff (engine/gearbox/brakes/etc) is good.

Priced to sell at just £650. Any test/trial welcome. If not sold by next week, will do all the little jobs and put her up for a grand. Still a bargain at that!

Thorough inspection and long test drive welcome. Please call or text 07734330989 to
