Graco Compact travel cot in great condition. Used with two babies but literally a handful of times as most places we have gone to stay have provided them. Easy to put up and down, and collapses with mattress folding around it and being secured with Velcro straps. Full instructions are to reverse of mattress. From a pet-free home (at least, we got a puppy four months ago but she is not allowed upstairs and in the bedrooms and this is kept in a storage cupboard in one of my children's bedrooms so has never been anywhere near her). I will steam clean the fabric covering the rails and also the mattress. Please do ask questions if interested.;
