

Gucci Original Ladies Watch - Boxed in Mint condition (375 GBP)

Location

South West, Somerset

<https://www.freeadsz.co.uk/x-296374-z>

I bought this amazing watch back in 1989 so is classed as Vintage now...Even Pristine doesn't come close to the condition of this piece, it really is like Brand New!. Look at image three and you'll see the date purchase and the shop from where it came from.

It's in perfect working order and comes with 12 different colour bezels including the Gucci colour as shown on the watch. It comes original box and.
