Ideal first car, it has the cheap to insure and tax 1.2 engine but comes with loads of extras such as alloy wheels, electric windows & mirrors, electric sunroof, multiple airbags, abs, power assisted steering, alarm, immobiliser, central locking and Kenwood cd stereo with ipod connector! It has only covered 92000 miles and comes with full service history and is mot'd until January 13th 2017! It has had loads spent on it in the last year including 4 new tyres, 2 of which less than 2000 miles ago (In November 2015)! It had a new battery last October and new front coils in January 2015. The bodywork is in fantastic condition with barely a mark on it and the interior is immaculate. It has a great after market Kenwood CD stereo fitted with an Ipod connector and a lovely factory fitted electric sunroof. It has tinted rear windows which with the black colour of the car and the alloys really makes the car stand out, it looks stunning,;
