Ideal first car with the cheap to tax and insure 3 cylinder, 1.0 litre engine. It has a brand new MOT on it, so is good to go until April 14th 2017!! It has lots of history and receipts showing it has been looked after and the mileage is genuine but the service book has been lost unfortunately. It has driver and passenger side airbags, abs, electric windows and central locking. It comes with a fantastic Pioneer after market CD stereo that has connections for USB and auxiliary inputs and 9" shelf mounted Infinity Speakers that altogether sounds amazing. There is cabling and connection in place in the boot for a sub-woofer should you wish to add one. The stereo is blue-tooth enabled to allow phone connection also for safe use of your mobile while driving. The car has 4 good tyres and a new battery and drives really nicely, it will make the new owner a lovely economical little run about.
