Nice little combo van, rare metallic blue. * 12m MOT, advised track rod end ball joint, not that tragic just slightly heavier turning right than left, cheap enough fix, also window wipers don't work on intermittent, again cheap enough fix * Engine / Clutch / Gearbox / Brakes & Tyres all sound, drives well * No real damage to talk of, very straight & clean * 2 x roof bars * Folding passenger seat & bulkhead for larger objects * Side load door * Remote central locking working Please do remember the miles & age of this van, although very clean its not perfect, viewing & test drives welcome. Thanks for looking. Paul 07879991478
