Elddis Autoquest 120 - 2006, 4 berth motorhome with only one owner since new. The drop down over cab bed has only been used on a couple of occasions and the full sized oven hasn't been used at all. The much sought after rear u-shaped lounge has very comfortable seating and there is a small pull out shelf which your TV will comfortably fit onto. When you want to settle down for the evening the lounge area quickly converts into a large double bed if you choose not to use the over cab bed. This lovely motorhome is a real bargain.
