REDUCED TO SELL...5 seat 4 door double cab pick up with lockable roller shutter top, rear window rack. In Green. This is an ex Windsor Castle vehicle which I have been using to get my boys about in for the winter with their bikes. Runs and drives really well. It is generally good condition but has a dent in the rear wing (shown in picture) but this does not affect its load area or drive. It is not pristine but in decent condition for the mileage and the money that I am asking for it. This vehicle has NO VAT on it. It has no verified service history as it was a Windsor Castle vehicle and it was maintained internally by.
