Here for sale I have a 2001 BMW e46 320d SE. The car has a few dings and scrapes on the body work but no rust. Interior is black cloth and is clean. Still has MOT TILL AUGUST. The car starts and runs as it should but needs camshaft pulley replacing- I have a brand new pulley with brand new belts going with it. I would do it myself and make more from the car but I've bought a van and could do with my space back. Any more info please ring 07896881963 £
