Eyelash Extensions £30 Full Set ..For over a few thousand years now, women around the world have been trying their best to draw attention to their eyelashes, few have succeeded with their natural lashes while others have relied upon eyelash extensions. Now these eyelash extensions have the ability to change your entire look! Not only do they add extra glamour and style to your eyes, they add an entirely different dimension to your personality as such. From cool and beautiful you are suddenly transformed into glamorous and sexy. There are various reasons why girls absolutely love having eyelash extensions. While they surely add extra glamour to your look, they are also a great way to enhance and elongate your lashes if your natural eyelashes are short. What will my eyelashes look like? Your finished eyelashes will look absolutely amazing. Each of your natural individual lashes will be extended with a dark, rich, perfectly curled extension. Within all of my sets of extensions, I use slightly different lengths and thicknesses to a very natural look customized to your unique eyes. Everything will look tailored to your look and provide a huge enhancement for your overall beauty. Text Nancy 07703842516 to book your weekend/weekday/evening appointment! Based in Central Hove!;
