

Depression, new effective and safe treatment

Location

South East, West Sussex

<https://www.freeadsz.co.uk/x-297280-z>

rTMS repetitive Transcranial Magnetic Stimulation rTMS is an innovative, safe, effective and well-tolerated, non-invasive treatment for people that suffer with depression, including those who have not benefitted from antidepressant medications, cannot tolerate antidepressant medications due to side-effects or wish to treat depression without medication. The treatment is provided at the Montefiore Hospital in Hove & Brighton. For further info please contact us on 07596343999 Read more at www.rtmsuk.co.uk or contact us on [email]
