Lessons depending on the students interests can involve theory, harmony, scale knowledge, developing your ear, reading, tone development and saxophone players throughout the history of the instrument. Having a good knowledge of the jazz language, I can guide as a way of setting a solid platform for improvisation in all genres. I have been playing for 20 years, and have live and recording experience in most genres from rock to orchestral. I can travel if local. If out of the Brighton area travel expenses may be added.
