Approved Home Services Ltd

Approved Home Services is a newly established company which provides qualified, reliable and highly skilled tradesmen in the gas, kitchen, bathroom, driveways and roofing industries direct to you. We have been in the industry 10 years and have been dismayed by many horror stories of home improvements going wrong with the elderly and vulnerable being conned out of their hard earned savings by unscrupulous tradesmen in the industry.

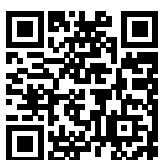

The aim of the Approved Home Services is to provide a reputable honest service which gives you the homeowner peace of mind when instructing tradesmen to work on your property.

Our clients tell us that they are pleased with the level of professionalism shown by our tradesmen and would happily use them again, your satisfaction is assured when you choose Approved Home Services.

If you are considering any work to your property in the near future why not give us a call to discuss your requirements or simply fill out our enquiry form by clicking the button below.

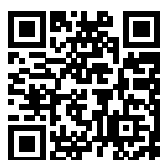

- See more at: [www.approvedhomeservices.uk](http://www.approvedhomeservices.uk) How the Company Works: We will provide you with three quotes from highly skilled and certified tradesmen. Tradesmen are fully vetted to ensure their credentials and level of competence. Every job carried out for us is inspected and signed off. Evidence from previous customers is documented as testimonials. We provide ongoing support prior to and after work. The largest investment that you are ever likely to make is your home therefore wouldn't you want to be assured of having qualified expert tradesmen on hand to carry out work on your property when the

need arises. So why not call us today on the above number Approved Home Services will guarantee customer satisfaction TODAY. Call 0203 66 920
