If you're looking for a wedding photographer, look no further than the award-winning Martin Bartnicki Photography. We can create a wedding package to suit any budget and style, with a relaxed style and great customer service. We also cover Torquay, Exeter, Plymouth and the whole of the Devon and UK.

Born in Poland, I moved to Northern Island, then London, then Torquay to pursue a career as a professional photographer and have been working as one since 2005. I draw on a lifetime of experience to capture special moments in life. I have worked all across, so can adapt to a variety of locations, themes and styles.

A basic wedding package starts from £349 and includes:

- 1 photographer to capture your big moments,
- up to 3 hours coverage,
- unlimited number of photographs taken,
- pictures ready to view online in 14 working days,
- 150 high-resolution professionally edited images on DVD,

• copyrights printed at the box
 for all packages

for all packages

Where ever your wedding is held or location, Martin Bartnicki Photography can be there for you. Don't miss out on this offer, though, because what you have previously had to suffer from is now gone.

Your package price was extremely fair and you've over delivered in every way possible. You were always polite and helpful. Yvonne

"Martin was an inconspicuous professional and courteous. We could not have dreamed of a better photographer." Cassie and Jonny
