

# Personal photo scanning service

Location **East of England, Hertfordshire**  
<https://www.freeadsz.co.uk/x-297736-z>

Do you have lots of old family photos or documents stored in a cupboard? Have you thought about having them scanned so the can easily be shared electronically by future generations?  
After having scanned our family photo collection and indexed them all (using face recognition) I am now considering to offer this personal service to the public in the AL postcode area. Please email [email protected] with details for a free assessment and a competitive quote. ;
