Indoor HD 1280 x 720P Wired/Wireless Pan/Tilt camera.

This is a brand new fantastic indoor camera that is very easy to set up.

It can run via WiFi and all you need to do is download the app (for free) and you can view the camera anywhere where you have the internet on you mobile, tablet or pc.

You can move the camera and it has day and night mode.

I bought this last week but no longer needed the extra camera so I'm selling it.

rrp is £100 currently on Amazon at £55 im selling for £35 so grab a bargain.

Ideal for keeping an eye on pets, children, baby monitor or the front door for security.

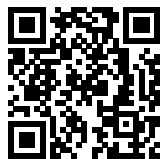

You can be away from home and keep an eye on things.

It also has motion detection so it will send you alerts when.
