

Clumber Livery is an approved BHS livery yard (40 GBP)

Location **Yorkshire and the Humber, South Yorkshire**
<https://www.freeadsz.co.uk/x-297946-z>

Clumber Livery is now into the 10th year and still part of the British Horse Society approved Livery yards. This provides the horse owner with certain standards and care, to which all BHS members work hard to achieve on an annual basis. We have 5 star facilities at reasonable prices.

We are located in the picturesque location of the National Trust site of Clumber Park, in the heart of Nottinghamshire. If you are looking for calm tranquil settings for your horse, you have found the perfect place.

Clumber Livery is set in 67 acres of private farmland, with off road access to 4000 acres of Clumber Park to spend your days hacking out in through woodlands and fields. An annual permit is available from the National Trust office. This is the ideal location in the heart of the countryside, with a calm and laid back yard which has outstanding beauty in its surroundings. Full, Part and DIY Liveries and DIY assisted.

Stables now available for DIY, Part or Full livery so please ask to come and view the facilities for yourself. Prices start from £40 for DIY;
