iPhone 4s good condition selling due to upgrading had a new battery through Apple only downside is the back of it has been cracked but have been quoted £10 to have this repaired in tonbridge high street if you have a case on it doesn't effect it in away has a tampered glass screen protector on main screen. Main screen has never been cracked smashed or broken! Comes with everything other than headphones has a new charger in the box. Also comes with a couple of cases and original box Locked to 3
